Fiscal Year 2020 Internal Audit Report August 31, 2020

- financial risk
- fraud risk
- economic risk
- demographic risk
- operations and complexity risk
- organization risk
- human capital risk
- information technology risk
- regulatory/compliance risk, and
- reputational risk

Taking into consideration the input from the TCDD management, all significant activities are assigned a risk score for each risk category. The overall risk rating (High, Medium or Low) is assigned to each significant activity based on the activity's average risk score.

The internal audit plan is developed by considering risk ratings for each significant activity and prioritizing "High" risk activities.

The 2019 Internal Audit Risk Assessment Update resulted in two significant activities rated as "High" risk. Both activities are included in the Fiscal Year 2021 Internal Audit Plan, either as audit consulting or as a follow-up.

VI. External Audit Services Procured in FY 2020

TCDD did not procure external audit services in FY2020. TCDD's financial activities are included in the financial audit of the Texas Education Agency.
